Introduction

Thank you for using Sidify Tidal Music Converter.

[Sidify Tidal Music Converter \(Mac\)](#) is a powerful Tidal music downloading tool that can convert Tidal music to MP3, AAC, WAV, FLAC, AIFF or ALAC format. It keeps the original audio quality and ID3 tags after conversion. By Sidify, you can download music from Tidal at up to 10x faster speed, and do not need to download Tidal app on your computer.

Key Features

- Download **Tidal Free, HiFi and MQA music** to your Mac computer.
- Convert Tidal Music to MP3/AAC/WAV/FLAC/AIFF/ALAC.
- Preserve maximum of **Hi-Fi and Master** audio quality after conversion.
- Preserve ID3 Tags & up to 10X faster conversion speed.
- Fully support macOS 10.15-14 Sonoma.
- Audio and audiobooks format converter and music tag editor tools.
- No need to install the Tidal app.
- 48 localized languages available.
- Free updates & technical support.

System Requirements

- macOS 10.15-14 Sonoma.
- At least 512M physical RAM.
- 1G Hz Intel processor or above CPU.
- 1024*768 resolution display or higher Monitor.

PURCHASE & REGISTRATION

Purchase Mac Version of Sidify Tidal Music Converter

Quick Link: To buy a license key for the Mac version of Sidify Tidal Music Converter, click [Here](#).

1. Why should I buy Mac version of Sidify Tidal Music Converter?

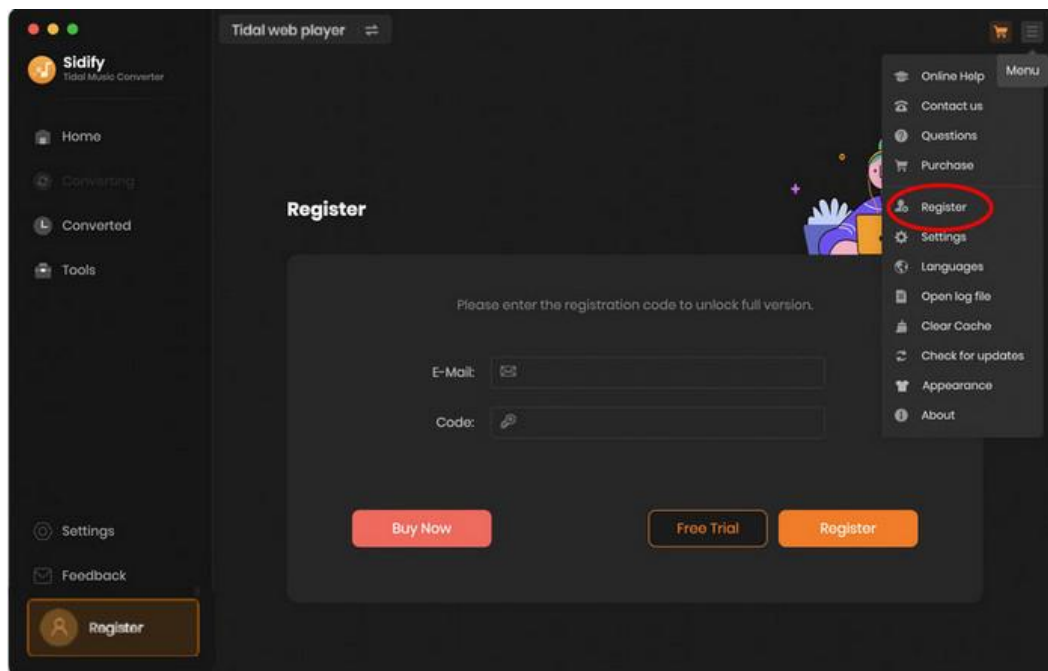

Sidify Tidal Music Converter Mac version is a shareware, and the trial version limits users to convert only the first minute for each audio for sample testing. After purchasing the program, you will be provided a license with your registration e-mail and key code which will unlock the trial version limitation.

2. What benefits do I have after registration?

- You can **convert Tidal songs without time limitation**.
- You can enjoy lifetime FREE upgrades to the latest versions of the same product.
- You can enjoy FREE technical supports.

Register Mac Version of Sidify Tidal Music Converter

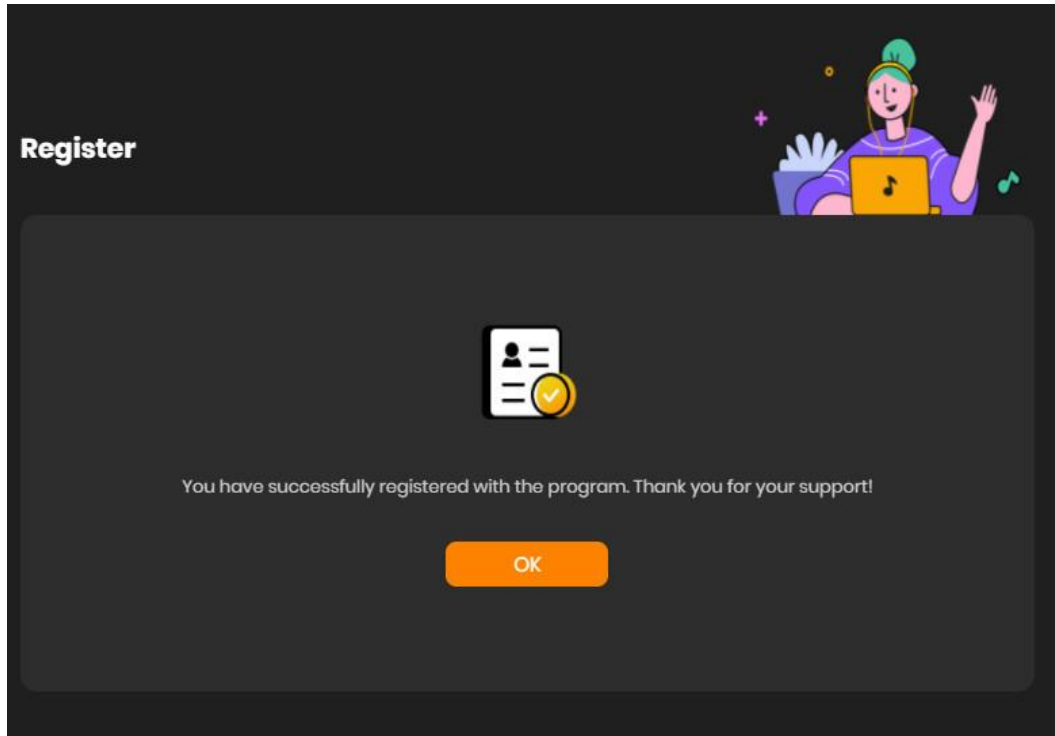

Step 1: Run Sidify Tidal Music Converter. You can directly click **profile** icon at the left bottom of the program to open the registration window and complete the registration process by filling in your registration e-mail address and key code.
